Examiner's Amendment OR Examiner's Comment:

There is no examiner amendment but only the following examiner comments. The reference listed as US Patent Number 588,493 (allegedly to Hartwig) from the PTO 1449 dated January 17, 2003 (Sheet 2 of 9) has been crossed out and not considered because this is not a relevant patent to the instant application nor is it to the inventor Hartwig. It has therefore not been considered because it is not the proper US Patent Number to Hartwig.

Inquiries may be directed to Paul Marcantoni at 571-272-1373 or his SPE Jerry Lorengo at 571-272-1233.

A handwritten signature in black ink, appearing to read 'Paul Marcantoni', is positioned above the printed name.
